## **SPONSORSHIP / ADVERTISING OPPORTUNITIES FOR 2020**

If we could help you win just one more customer each year, what would that be worth to you?

We are a successful, friendly, thriving community club in the heart of the village and most of our members live (and shop!) in Long Ditton.

As a community club most of our members live, work and / or shop in Long Ditton and we are keen to work with like-minded organisations and businesses in and around the village.

With over 15,000 visits to our ground, over 60,000 visits to our play-cricket website each year and high level of activity on Twitter, Facebook and Instagram, there is a great opportunity for local companies to grow their business by becoming better known among the people of Long Ditton, as well as demonstrating their support for the village.

Long Ditton has a thriving colts section and runs teams from the Long Ditton ALL STARS (for ages between 5-to-9) and help develop colts from the ages of U11 through to U17 and into adult cricket.

We are a very inclusive club welcoming both boys and girls. Although competitive in our respective leagues, the emphasis is on enjoyment and engagement for all age groups. Colts training and league matches take place throughout the week and weekends during the season and the Friday night BBQ's create a fun, friendly atmosphere that can be experienced by both parents and players alike!

We are not just a cricket club – our facilities are used widely by the local community. St Mary's Church XI often use our ground and nets throughout the season and we work closely with local primary schools to encourage young children to be involved in sport.

Our social side is very active with multiple social events spread throughout the year as well as an end of season awards night with strong support from member's parents, friends and families.

## **We are also home to a local Nursery:**

Since 2017, Long Ditton Cricket Club has also been the home for Stepping Stones which is a "not for profit" charity committee-run pre-school. They provide a well-planned, rich learning environment for children aged 2 to 5 years, as well as promoting and developing children's learning through indoor and outdoor play activities such as sand and water play, creative activities, storytelling, singing, role play and also provide the opportunity for the children to meet physical challenges in a safe and stimulating environment.
